CBVA · OPEN · WOMEN'S DOUBLES

Main Beach, Santa Cruz

Saturday 24 October 2026

20 teams in 4 pools. 17 of 20 are rated on both players; the field median pair is 7.78. The pools below run in CBVA's own order, with each team's rank by **TruVolley** — Volleyball Life's rating, which counts results everywhere — alongside. CBVA seeds on CBVA results only and sorts a pair by its weaker half, so the two orders differ sharply. The strongest pair on this measure, Haisley Flanagan / Hazel Williams at 8.80, is seeded 15 of 20.

A number in brackets is CBVA's own level, shown where the player has no Volleyball Life profile to rate. A star marks a rating taken from a profile matched by home town rather than by shared results, so treat it as likely rather than certain. A pair rating is the average of its two players; it says nothing about how long they have played together.

Ratings fetched 23 October 2026. Entries and pools from CBVA; ratings from Volleyball Life.
